

BEHAVIORAL (ABA) THERAPIST AT TPASN

Job type

Temporary, 8-weeks opportunity,
Start day July 4, 35-hours per week

Thorncliffe Park
Autism Support Network

Schedule: Monday to Friday

Description

Our student and new graduate programs offer a chance to explore TPASN initiatives from the inside. You'll make a difference in the lives of our families of children with special needs and communities, while building the skills and experience that allow you to grow in a meaningful and rewarding way.

Diversity and inclusion have always been at the core of our values at TPASN. A diverse workforce with wide perspectives and creative ideas benefits our clients, the communities where we operate and all of us as a family. We welcome applications from qualified individuals from all backgrounds.

Persons with disabilities who need accommodation in the application process or those needing job postings in an alternative format may e-mail a request to <sh2010sharipova@gmail.com>.

We thank all applicants for showing an interest in this position. Only those selected for an interview will be contacted.

DUTIES & RESPONSIBILITIES:

- Provide initial intake and case management for the families of children with autism
- Provide consultation and education to the family regarding the client's needs and goals
- Create and Implement the ABA approach related to the needs and goals of the client
- Support client goals through implementing strategies and monitoring progress.
- Involve personal assistants in implementing ABA plan
- Regular Data Collection and communication with executive staff
- Maintain a good rapport with the team, including the family.
- Create and maintain a healthy and positive environment for the client to promote progress.
- Create optimal opportunities for learning by including the family into the therapy sessions.
- Assist with preparation of ABA related materials for volunteers workshops.
- Be a team player. Participate in events as required.
- Be a "go to" resource for summer camp volunteers.

- Must show excellent attendance.
- Demonstrate and practice values of Human Dignity, Compassion, Excellence, Community and Inclusivity in the performance of all aspects of their duties.
- Follow the Covid-19 Safety Protocol

Qualifications:

- Student or graduate of ABA college program, or College or Bachelor of Arts related to Autism Behavioural Science or Psychology
- Comprehensive knowledge of ABA practices, procedures and principles.
- Excellent communication skills (English).
- Speaking additional languages such as Urdu, Pushto, Farsi, Turkish would be considered as asset
- Ability to take initiative, self-motivated, able to work independently and as part of a team
- Strong organizational and time management skills
- Works collaboratively in a team centered environment
- Available to work Mon to Fridays during the day and optional weekends.
